

St. Rose of Lima, Massapequa, NY

**LIFE TEEN**  
Leading Teens Closer to Christ

## What is Life Teen?

A teen faith-based high school youth community that is rooted in Christ.

By praying, sharing, and participating in faith-based team building Life Night exercises, we build friendships of trust and respect. By bringing these values with us on service missions, we provide an opportunity for those in need to witness Jesus in action.

## Why Become a Member?

**Life Teen checks off all the boxes!**

Career, College, and Clubs

**Career Resumes** - Life Teen allows you to build your management, communication, and organizational skills - proof that you have experience and good work ethics. Letters of Recommendation are included in your membership. Let us help you get the job you want!

**College Applications** - Life Teen is a college readiness program. We regularly join with other parishes - proof that you are diversified, work well with others, and are willing to branch out and build friendships beyond your sport's teammates and classroom peers.

**Clubs** - Life Teen is a school enhancement program providing opportunities to learn and grow in leadership - proof that you are resourceful, a good problem solver, and idea contributor - a bonus for Honor Society applications.
