**Welcome to our Faithful Parishioners and
All Those who may be 'Just Visiting'**

Jesus washed the feet of his apostles at the Last Supper as a sign of loving service, instructing them "as I have done this to you so must you do for one another." We as a family of faith strive to live this commandment of love in doing all that we can to welcome you as we invite you to be an active member of this community.

***Welcome new parishioners!** If you are new to our parish, I invite you to introduce yourself to me or any of the other priests after Sunday Mass. Even though we are a large parish, we make every effort to come to know you and your family personally so that we may be better able to serve you. If you would like to register, please see the Welcome section on the homepage of our website (www.srolchurch.org) for details.*

...from Fr. Gerard

Come to him, a living stone, rejected by human beings but chosen and precious in the sight of God, and, like living stones, let yourselves be built into a spiritual house to be a holy priesthood to offer spiritual sacrifices acceptable to God through Jesus Christ.

In both of my previous parish assignments, I witnessed major renovations of the parish church. When those projects were completed, the people of the parish had the blessing of seeing what once seemed impossible become a blessed reality. In the two years that I have been here at St. Rose, I have been fortunate to hear the stories of the building of this spiritual home. Although the times, places, and styles of churches are unique, what is common is the sacrifice and faith that made the building and renovating of churches possible.

The words of St. Peter in today's second reading caused me to reflect, not just on the physical process of building and renovation, but the ongoing renewal of the faith and spiritual life of a parish community. Over its history, parish communities like ours grow beyond any physical improvements. Schools and faith formation programs are established, grow, and establish a history of the education and formation of each new generation. Ministry programs grow to meet the needs of a community, but also help to establish a parish identity and build smaller base communities. Parishes also form a foundation that provides for the needs of the poor and marginalized through food pantries and other services that bring hope to the poor.

The foundation and supporting structure of the parish church is the Holy Eucharist. The primary purpose of the churches we build is the celebration of the Holy Sacrifice of the Mass. The Eucharist is the source and summit of our life through which we encounter Christ. Without the Eucharist celebrated in a building that reflects the glory of heaven, there would be no other growth. Programs that educate and provide for the needs of a community are notably important, but they are limited to human skill and ability. The church grows because it is fulfilling the mission of Jesus Christ whose grace is infinite.

Parish churches and their communities are built and rebuilt through the people of God working together, through the guidance of the Holy Spirit. St. Peter calls us to a "holy priesthood." The priests and I have been called to live the sacramental priesthood, but all of us though are called to live the priesthood of our baptism, which calls us to make the sacrifices necessary to build up God's kingdom on earth. A foundational teaching of the Second Vatican Council was the universal call to holiness. The council reaffirmed what was already a lived reality of the church. The good work of the church has only been marginally accomplished because of the clergy and religious. The church's foundation is Jesus Christ, living and working through the lay faithful. We give thanks in what we and all those who have gone before us have done, and we look forward to the good that God will continue to do in us.

OUR LADY OF FATIMA - Between May 13 and October 13, 1917, three Portuguese children – Francisco and Jacinta Marto and their cousin Lucia dos Santos – received apparitions of Our Lady at Cova da Iria near Fatima, a city 110 miles north of Lisbon. Mary asked the children to pray the rosary for world peace, for the end of World War I, for sinners, and for the conversion of Russia. The message of Fatima is simple – **Pray**.

This Friday evening at 7:00 pm, we will have our annual Evening of Prayer celebrating the Feast of Our Lady of Fatima. Gathered around our beautiful replica of the Fatima statue, our parish community will be united in prayer, seeking Our Lady's intercession for peace in Ukraine, Russia, and the entire world. This will also be an opportunity for us to express our gratitude for our Blessed Mother's guidance and protection during the COVID-19 pandemic. Further details are available elsewhere in the bulletin.

DIOCESE OF ROCKVILLE CENTRE

*One Family - Journeying together in
Communion, Participation and Mission*

*"Welcoming people with disabilities and responding to their needs
Is a duty of the civil and ecclesial communities."*

The goal of the Parish Social Ministry is to connect and bring people together in communion in order to build community. At Our Lady Queen of Martyrs, Centerport, there are approximately 15 ministries that are a part of the PSM; youngsters to seniors minister to build a community of faith, hope and love.

Christopher is a Leader in the OLQM Special Needs Respite Program for many years.

"It's a very fun way for people with special needs to socialize and meet new people by participating in various activities, games and special breakfasts with prayer and guest speakers. There is a Special Needs mass, and I lector. The program has helped me build more confidence socially and to step outside of my comfort zone and to interact with more people with special needs. My family is blessed to have me be a part of the program," shared Christopher.
