Date & Time

*Please refer to the list below for items you will need to bring with you to the rehearsal. We schedule 45 minutes for rehearsals. Please note that at this time, attendees who are not vaccinated are requested to wear a mask.*

**WEDDING REHEARSAL:**

*We ask that you please have all members of your wedding party arrive on time as there may be another event scheduled in the church immediately following your rehearsal, and as a courtesy to the priest, deacon or volunteer conducting the rehearsal.*

*Please bring the following to the rehearsal:*

1. Civil Marriage License
2. If you are using a Unity Candle (optional), bring the set, including base and tapers, and Wedding Programs (also optional). Each item brought with you to the rehearsal *should be labeled with your names and the date and time of your wedding*. Please designate someone to meet with the Sacristan before the wedding who will be responsible for the distribution of the programs and to take the unity candle set at the end of the wedding; if you purchased your own flowers, you may want to designate someone to take those arrangements as well.
3. Offerings for the church and music are payable using one check, cash, or can be paid online using WeShare on our website.
4. ALL members of your wedding party should be present including Readers.
5. The only church door that will be open will be on the parking lot side at the south end of the church just before the garage doors.

*ALL other documents necessary for your wedding should already be on file at the rectory, if not, please be sure to bring them to your rehearsal. As a reminder, you are permitted to throw only birdseed outside the church. The blowing of bubbles or throwing of rice, rose pedals, confetti, or anything else either inside or outside the church is strictly prohibited; please leave the church in the condition you found it.*

*Thank you in advance for your cooperation!*
