

Building the first ...

## SROL Chamber Music Ensemble

for High School & College level musicians.

Hello to our parishioners in high school and college who perhaps study and play an instrument privately or in school.

Would you consider coming together to help be the foundation of our parish's first chamber music ensemble?

A great opportunity to worship together while offering your talents by playing instrumental music and augmenting the liturgy...

With a new Yamaha Grand Piano, an open floor concept, and the incredibly live acoustic in the Church, we have an ideal setting for making such music.

If you play Flute, Oboe, Trumpet, Violin or Cello, and would like to help form the first SROL Chamber Ensemble, please contact me, at [Johnb@srolchurch.org](mailto:Johnb@srolchurch.org).

Many instrumental parts available for hymns and mass settings.

An opportunity to also perform solo works.

\*Rehearsals totally flexible and based around everyone's availability.

\*Perform together at selected Masses and concerts.

I look forward to hearing from you!

*Peace,* John Buckel

*Music Director & Organist*
