

St. Rose of Lima Advent Angels Gift Collection Program

Thank You!

Even though the pandemic forced a major change in our program, the Family Liturgy Committee would like to thank our fellow parishioners for adapting to this year's online Wishes and still displaying their amazing generosity and thoughtful support of this year's Advent Angels Gift Collection program.

The response of our parish was OUSTANDING!!! It is truly heart-warming that so many of our fellow parishioners have used this year's program to think of the needs of others and act in a very meaningful way. Of note, one 5th Grade Faith Formation Class ran a special project including a toy gift drop-off drive-by! This year's collection benefited the Parish Social Ministry efforts here at St. Rose, at the Church of the Resurrection in Farmingville, and at Our Holy Redeemer in Freeport. In a time when the need is great, your plentiful response indeed makes a big difference.

SPECIAL THANKS go out to:

- Sal Cassero for his annual support in delivering the presents to Farmingville.
- All the Family Liturgy volunteers that helped with the gift collection especially Wayne, Donna, Mary, Emily, and Lauren.
- Marianne and the team at Outreach – you are truly a blessing for our parish family!
