

Church Door Renovation Project

We are happy to announce the planned renovation of new doors for our church

As our parish approaches our 75th anniversary, plans to replace our nearly 70 year old doors are underway. Over the last few years, attempts have been made to repair doors that have broken mechanisms and rotting interiors. Replacement parts are hard to come by and the repair of one door alone cost over \$1,000.

Newly designed doors will also allow for increased safety, energy efficiency, and accessibility. Tinted glass windows will bring light into vestibules and allow users to see into and out of the building, increasing safety through greater visibility. The newly designed doors will operate with greater ease and will not be as heavy as the current doors.

The project is scheduled to take place this summer and will cost an estimate of \$90,000

Donations and pledges

While parish reserve funds will assist in covering the cost of this project, additional donations will be needed. Thankfully, nearly **\$40,000 has already been raised.**

All donations to this project will be given special recognition
